

CE Requirements Applicable to ALL Michigan DCs

The State of Michigan requires that chiropractors wishing to renew their license complete 30 hours of continuing education during their two-year licensure period. Included in this requirement is:

- One hour in ethics
- One hour in sexual boundaries
- One hour in pain and symptom management
- Two hours in the performance and ordering of tests
- Two hours in physical measures

All of these requirements can be fulfilled at the MAC 2019 Express Convention.
